Important Safety Information

This document presents important information intended to ensure safe and effective use of this product. Read this section carefully and store it in an accessible location.

Safety Precautions

⚠DANGER: Handling the product improperly by ignoring this symbol can result in immediate danger of death or serious injury.

Do not use, charge, leave, or store the product at temperatures in excess of 60°C (140°F). Doing so may cause the product to generate heat or sparks, rupture, or burst into flame.

⚠WARNING: Handling the product improperly by ignoring this symbol can lead to death or serious injury. Immediately unplug the product when a fault or other problem occurs, and contact qualified service personnel. Contin- uous use may lead to fire or electric shock.

- If the product emits smoke, a strange odor, or unusual noise.
- If water or other liquid spills into the product.
- If the product is too hot to touch or the case is deformed.
- Note the following points to avoid accidents such as fire, electric shock, or burn.
- Do not charge batteries other than the specified ones.
- Do not use this product where flammable fumes from gasoline, benzene, thinner, or other flammable liquids may be in the air.
- Do not use aerosol sprayers containing flammable gas inside or around the product.

- Do not cover the product with cloth, or place the product in locations subject to high levels of humidity or dust.
- Do not allow foreign objects or flammable objects to fall into the equipment.
- Do not touch the inside of the product except where mentioned in the manual.
- Be sure to use the specified AC adapter [AC Adapter,C1 (Model:M235B)] only.
- Do not connect cables in ways other than those mentioned in the manual.
- Never disassemble or modify the product.

⚠CAUTION: Handling the product improperly by ignor- ing this symbol can lead to injury and property damage. Note the following points to avoid injury or malfunction.

- Setup the product on a firm, stable, horizontal surface.
- Do not place heavy objects on top of the product. Never stand or lean on the product.
- Never attempt to repair the product yourself.

To ensure safety, unplug this product before leaving it unused for an extended period.

The following marks are used on this product in order to en- sure safe and correct use of the product and to prevent harm to you or other people or damage to property. Be sure to un- derstand the meaning of the marks before using the product.
