EPSON®
EXCEED YOUR VISION

Standards and Approvals

The following standards are applied only to the printers that are so labeled. (EMC is tested using the Epson power supplies.)

Europe: CE marking

North America: FCC Class A

CE Marking

The printer conforms to the following Directives and Norms:

Directive 2004/108/EC

EN 55032 Class A

EN 55024

IEC 61000-4-2 IEC 61000-4-3 IEC 61000-4-4

IEC 61000-4-5 IEC 61000-4-6 IEC 61000-4-8

IEC 61000-4-11

WARNING

This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

The connection of a non-shielded interface cable to this device will invalidate the EMC standards of this device. You are cautioned that changes or modifications not expressly approved by Seiko Epson Corporation could void your authority to operate the equipment.

FCC Compliance Statement For American Users

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications.

Operation of this equipment in a residential area is likely to cause harmful interference, in which case the user will be required to correct the interference at his own expense.
