

The following standards are applied only to the printers that are so labeled. (EMC is tested using the Epson power supplies.)

North America: FCC Class A, CAN ICES-3(A)/NMB-3(A)

Les normes suivantes sont appliquées seulement aux imprimantes portant l'étiquette le stipulant. (CEM est testée avec l'alimentation d'Epson.)

Amérique du Nord : FCC Classe A, CAN ICES-3(A)/NMB-3(A)

Warning

This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

The connection of a non-shielded interface cable to this device will invalidate the EMC standards of this device.

Be sure your AC power cord meets relevant safety standards of the area where you plan to use it.

Avertissement

Cet appareil est un produit de classe A. Dans un environnement résidentiel, il risque de provoquer un brouillage radio, auquel cas l'utilisateur pourra être tenu de prendre des mesures adéquates.

La connexion d'un câble d'interface non blindé à cet appareil invalidera les normes CEM de cet appareil. Assurez-vous que votre cordon d'alimentation secteur est conforme aux normes de sécurité en vigueur dans le pays dans lequel vous prévoyez de l'utiliser.

For Users in the USA

Supplier's Declaration of Conformity

According to 47CFR, Part 2 and 15 for Class A Personal Computers and Peripherals; and/or CPU Boards and Power Supplies used with Class A Personal Computers:

We: EPSON AMERICA, INC.
Located at: 3131 Katella Ave., Los Alamitos, CA 90720
Telephone: 562-981-3840

Declare under sole responsibility that the product identified herein, complies with 47CFR Part 2 and 15 of the FCC rules as a Class A digital device. Each product marketed, is identical to the representative unit tested and found to be compliant with the standards. Records maintained continue to reflect the equipment being produced can be expected to be within the variation accepted, due to quantity production and testing on a statistical basis as required by 47CFR §2.906 Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Trade Name: EPSON
Type of Product: Impact Printer (Dot-Matrix)
Model: M384B

M384B: TM-U220IIB-i

NOTE: This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.
